Adjudication and announcement about selection of best tender

Within the small-scale public contract pursuant to Article 6, 12 par. 3 and 18 par. 5 Act no. 137/2006 Coll., Public Procurement Code (hereinafter referred to as the „PPC“), the contracting authority, in accordance with the report on the assessment and evaluation of tenders, adjudged as follows:

Title of public contract: „217_Equipment innovation of the laboratory of robotics/Inovace vybavení laboratoře robotiky“

No. of public contract: 12/9130/0217

The evaluated tenders sent by tenderers:

Rank of tenders	Company name	Price ex VAT in CZK
1	Aldebaran Robotics	470 837,-

The tenderer which meets best the criteria set out in the conditions of the public contract is:

Aldebaran Robotics, which will be invited to contract signing.

Justification: Tender is best according to the evaluation criteria.
